SUBJECT: RABIES VACCINE INVENTORY REPORT

The DOH Procurement Service is currently processing the request of the National Center for Disease Prevention and Control (NCDPC) to procure additional rabies vaccines (Verocell) and immunoglobulin (ERIG) for 2011. The procurement is a REPEAT – ORDER since fund savings was realized after the bidding of said items.

In this connection, the Office of the Secretary requires submission of the current stock level of Verocell and ERIG at the CHDs prior to issuance of Clearance to Procure. The stock level report shall be submitted to the NCDPC.

Immediate compliance is requested to avail of the Repeat-Order procurement mode.
